## Lourdes

Normita, Paola y Alex

Our most genuine desire this month is that the real reason for Christmas, the greatest event in all the history of the universe, the birth of our Lord and Savior Jesus Christ, will continue to be that which motivates us to continue living for the cause of the King. May we all celebrate the birth of our Lord Jesus Christ, the Word that fills us with hope and allows us to enjoy the best things in this life.

For this reason our family, the Escobar-Valladares (Salvador Escobar <Chity>, Patty, Diego and Alessandra) would like to express to you our gratitude to each and every one who has supported us and the advancement of Metro America 020 during this year 2011. Thank you to all who have helped, supported, contributed and demonstrated your love through prayer for this ministry. Thank you for being a blessing to so many families!

2012 will bring many challenges, and as a family we will always be willing and ready to be a part of the Lord's ministry in whatever He needs us to be and do.

Thank you so very much for all your support and may the Lord continue to bless your lives.

With love and gratefulness,

**The Escobar Family**

## A Christmas Greeting!

At this special time of the year it is valid to look back upon the year and remember all the Lord has done and admire His Greatness. It is also a good time to look forward and renew strengths, commitments and plans that the Lord has prepared according to His plan for our lives.

From the bottom of our hearts we want to express to you our appreciation and recognize individually and by name every person who has supported us over the past year. Thank you so very much!

Even though we are limited by time and space we would like to take advantage of this opportunity to express to you our gratefulness for all your love offerings, all of which surely have been a sweet aroma and acceptable sacrifice before our Lord.

There is still so much ahead of us to accomplish, and with the same commitment with which we began this work, we desire as a family to continue to see it grow and be useful for God's Kingdom.

May the Lord continue to pour out His blessing upon you and use you for His glory. These are our most sincere desires. Merry Christmas and may the Lord bless you in 2012.
