

A Christmas Greeting from IGLESIA BAUTISTA VIDA NUEVA MANAGUA

December 2011

A very special Christmas Greeting to each and every one of our brothers and sisters in Christ in Central America and the United States, our most sincere thanks for all your time and resources you have invested into the numerous evangelistic campaigns, follow up efforts, Kid's Clubs, Bible Conferences, as well as the infrastructure and ministry of Vida Nueva Managua. A special thank you to all the churches and pastors who have been a part of the expansion of God's Kingdom and the transformation of lives in Managua Nicaragua. Many thanks also to our pastors Julio Contreras, Steve Kern, Koky Lopez and David Guadron for their unconditional support of this mission. We thank the Lord for each of your lives, families and ministries.

The year 2011 is nearly over! We are very pleased and satisfied with all the Lord has done! What a joy it has been to see souls come to Christ and others who have grown and become involved serving in many different ministries such as evangelism, discipleship, visitation, children's ministries, women's ministries and youth ministries. What a blessing it has been to also receive all new equipment for church ministry as well as outdoor outreach as well as games for the children and youth such as the ping pong table and soccer table. The Lord has abundantly provided for His church for His glory and honor. Thank you to all who have been channels of these blessings.

In just a few days we will welcome a New Year. We have many hopes and dreams for 2012, we trust the Lord will grow His church spiritually and numerically. Our hope is that Managua will be won for Christ. May the Lord bless you abundantly. With much love and appreciation,

Pastor Felix Canizalez and family: Dinora, Lorena, Patty and Quiquito.
