

A Christmas Greeting from Vida Nueva San José Costa Rica, Dec. 2011

On behalf of Iglesia Bautista Vida Nueva San José, we send a Christmas greeting to all our beloved brothers and sisters in Christ who have given us so much support during 2011. What a joy it is to be completing our second year of service in Costa Rica, we thank the Lord for all He has allowed us to do during this time. We also thank each one of you for your faithful prayers, financial gifts, and all the help you have given us from your hearts. Thank you for your willingness to serve the Lord first and secondly, us.

This year we have been so busy taking care of all the spiritual and emotional needs of all the new believers, which is very common in the cases of baby churches. At the same time we have invested a lot in the ministry of equipping the saints for ministry through Discipleship. Evangelism has also been a major focus through one on one and door to door visitation as well as campaigns and outreaches with teams from the states and El Salvador. Each opportunity has yielded new fruit for God's Kingdom; we now have a wonderful group of 50 people, the majority being adults.

Our goals for 2012 are to continue evangelizing, discipling, and faithfully preaching the Word of God. We trust the Lord for both numerical and spiritual growth because we know that biblically both areas of growth are very important. We urgently need to move from our present rented location to another location so that we might continue to grow, there are so many activities that we cannot do due to our space limitations in addition to the fact that more people simply don't fit where we currently meet.

Once again, thank you so very much brothers and sisters for all your support. Vida Nueva San Jose would not be possible without you. On behalf of every child, youth, adult, and every married couple that have passed from death to life and are being taught and pastored by the Word of God here at Vida Nueva San Jose, THANK YOU!! May the Lord continue to bless you and use you for His Glory.

Your servants for God's Kingdom,.
