METROAMERICA020 2024 FIRST QUARTER REPORT

STARTING 2024 WITH FRUIT

"BY THIS MY FATHER IS GLORIFIED, THAT YOU BEAR MUCH FRUIT AND SO PROVE TO BE MY DISCIPLES."

JOHN 15:8

GREETINGS BROTHERS AND SISTERS OF GNIA!

It is a privilege to write to inform you about what God is doing in Managua during this first quarter of 2024.

I have to say that since December of last year, God has given us growth both spiritually and numerically, and that gives us joy. We are convinced that all this comes by the Grace of God among us, but we also understand that, as the apostle Paul said, "It is the hard-working farmer who ought to have the first share of the crops." (2 Timothy 2:6), which does not exempt us from the responsibility to work hard in the work of the Lord.

We are seeing new people coming into the congregation and starting a path for spiritual growth, we see children

growing and being instructed in the Word, we see young people being exposed to the Bible and challenged to make courageous decisions. We see a church that is moving and growing little by little. This makes me think of the words of Jesus: "By this my Father is glorified, that you bear much fruit and so prove to be my disciples." John 15:8

Our prayer is that we can continue working to bear much fruit and glorify God by expanding His Kingdom and transforming lives that desperately need Jesus.

Thank you all for your support and prayers, and we wish the same for each of the churches where you are pushing to expand the Kingdom of God.

First Quarter

- We continue to meet at the Japanese Park Auditorium and hope to continue throughout the year to keep growing.

-We have started 2024 with good attendance for our worship services and small groups during the week and many new people wanting to get involved in the Lord's work.

-We continue to carry out GLO CLUB, our children's program, to improve and continue sowing biblical convictions in the life of each one of them.

-We celebrated our 18th anniversary as a church. We went on an evangelistic outing to begin the year fulfilling the Great Commission.

Ministry Activities and Projects for 2024

We are thankful to have reached our 18th year as a church, which we celebrated with the entire congregation. During this first quarter, we have had an increase in our attendance on Sunday services and an average of 15 new brothers and sisters growing and getting involved in the Lord's work. Many of these guests have been the fruit of the radio program we have in Nicaragua, which we believe continues to be a good tool.

Our youth group and children's ministry continue to grow, which gives us great joy since we are working with both the present generation and future generations. In February, we also conducted an evangelism outing in which 30 church servants collaborated, and 15 people professed faith in Jesus. In April, the women's group will meet and we have another evangelistic outing planned in order to continue fulfilling the great commission to preach the gospel to every creature.

We are happy that in the last meetings, we've have between 70 and 90 adults in attendance. We are grateful to God for the fruit we are having, but we want to continue working with passion throughout the year and not lose heart. We have continued with the weekly ministries of visitation, counseling and small groups; this allows us to be in contact most of the congregation during the week. We also reactivated our classes for new members and the biblical discipleship ministry with which we want to mold the new believers God is bringing to the Church. Once again, we thank all of you for your prayers and support, which is fundamental for us to continue. We are truly grateful for you!

About Us

We are grateful to our God for his faithfulness, provision, and grace, which He continues to show us in Nicaragua every day. We see His hand at work in what we are doing, we see His support in many ways, and we are sure that He wants us to minister here in this stage of our lives and of the Church.

We want to again ask for your prayers for economic provision for our family, especially for the education of our children, and for doors to open so that we can complete our residency process, which has not been easy.

I am infinitely grateful to all of you for your prayers, words of encouragement, and offerings of love that you give for this work in Nicaragua. My prayer is that God will multiply 100% each of your efforts to keep this ministry going and we hope to have you here with us soon so you can see what is happening in Nicaragua.

A big hug,

Rodrigo, Mirian, Rodrigo Alfonso and Danilo Federico

Our prayers is that we will continue to be a church that influences the nicaraguan society with the gospel and God's love. .
